## SACRAMENTAL PROGRAM

### PARISH-BASED

Sts J. Vianney & T. More's Parish Greenacre runs a parish based sacramental program this means that is implemented and supported by the parish. Because, sacramental formation is first and foremost a parish activity.

The support of school, by providing environs, is very much appreciated by the parish, but this formation is not part of the school program. The formation and immediate preparation to receive Sacraments for the first time are a collaborated effort between parish and the family.

The parents' involvement in the preparation lessons of each of the sacraments proves to be an opportunity to walk together with their children on their spiritual journey. The preparation lessons are presented by the sacramental team. The positive feedback we have had from parents in the past has indicated that we should follow this format.

We at Sts J. Vianney & T. More's parish believe that it is a privilege to be able to help one's children to deepen their faith and to assist them to develop Christian values for their lives.

At the beginning of the sacramental program there is a parents information evening at which the parents/guardians are to be present as sign of their involvement in their children's education and get to meet the parish priest and sacramental team, too.

So, to learn more about what is involved in each program. Parents information evening is then followed by several gatherings within the following weeks. We must stress however, the importance of at least one parent/guardian being at all of the gatherings with their child.

Eligibility - children must be baptised members of the catholic church to receive the sacraments.
